

**MADE IN INDIA**

# HSP-650 FLOOR GRINDING MACHINE

## Technical Data Sheet

### SPECIFICATION

FEATURE	VALUE
Motor	10HP 3Phase
Working Width	650mm
Plate Version	3&4
Voltage	415V
Frequency	50Hz
Speed	100-1500rpm
Pad Driver	250mm-3X4
Water Tank	30L
Weight	280kg (3 Head) 296kg (4 Head)

### FOR PROFESSIONAL USE

**10HP,  
3Phase**

**3/4  
Head**

### DESCRIPTION

With a three phase 10hp motor, frequency control drive and aluminum alloy gearbox with a planetary drive, this is the ideal machine for grinding and polishing of very large areas of marble, granite and concrete. Folding handle and separable joint design makes for easy transport. It comes equipped with a vacuum pipe, and is suitable for dust free operation.
