

Technical Data Sheet

STAINEX WB

STAIN REPELLENT SEALER

Description:

Stainex WB is a water based ready to use stain repellent sealer that gives unmatched protection against oil and water based stains on natural and composite stones. It also provides excellent water and dirt repellency. It allows moisture vapor transmission and is UV-resistant.

Area of Application

It can be used on all natural and composite stones such as marble, granite, limestone, sandstone, terrazzo, concrete etc. It is specially recommended to be used in kitchens, bathrooms and other areas prone to staining.

Coverage

Coverage depends on the porosity of the material. The figures below should be used only as a general guideline:

Marble	5-10 m ² /ltr
Granite	6-12 m ² /ltr
Terracotta	2-7 m ² /ltr
Concrete	2-5 m ² /ltr
Floor tiles	2-5 m ² /ltr
Interlocking pavement	2-5m ² /ltr
Limestone	2-5m ² /ltr
Sandstone	2-5m ² /ltr

Instruction for Use

1. Clean the surface with SURIE POLEX Floor Cleaner-Neutral. The surface must be absolutely clean and dry before application.
2. Prepare a small test patch to check coverage.
3. Natural stone is unique and color enhancement is possible.
4. Shake the container before using. Do not dilute or mix with other products.
5. Apply evenly and fully with a brush, roller, sponge, spraying device or fluff free cloth. Remove surplus material with suitable cloth or fabric.
6. To ensure deep penetration apply 2 to 3 coats.
7. Repellency begins after a few minutes but the product is fully dry after 24 hours.
8. Optimum repellency is achieved after 7 days.

Advantages

- Protects against water, oily liquids and staining.
- Limits efflorescence formation.
- Anti-staining, anti-dirt.
- Prevents chewing-gum from sticking, limits dirt due to pollution from building up again. Limits moss and lichen growth.
- Makes cleaning easier.
- Very good anti-graffiti properties.
- Prevents deterioration resulting from freeze-thaw cycle.
- Non film-forming, lets the surface breathe.
- UV-resistant, does not discolour.
- Invisible once dry.
- Ready to use, easy to use.

MADE IN INDIA

Technical Data Sheet

Chemistry

- Water-borne fluoro carbon based.

Eco-Friendly

- Water-based product.
- Petroleum solvent free.
- Non hazardous and non toxic.

Maintenance

- Stubborn dirt should be cleaned off with clean water or with Surie Porex floor cleaner neutral.

Color

- Milky

Safety Advice

- 1 Respiratory protection : Under normal conditions of use where adequate ventilation is available, no special respiratory protection equipment is needed.
- 2 Hand protection : Wear latex gloves.
- 3 Skin protection : No special protective clothing or skin protection is required under normal conditions of use.
- 4 Eye protection : If there is a real risk of splashing, wear protective goggles.
- 5 If swallowed : Do not induce vomiting. Contact a doctor or a specialist.
- 6 Keep out of the reach of children.
