Instruction for Use

1. Clean the surface with SURIE POLEX Floor Cleaner-Neutral. The surface must be absolutely clean and dry before application.
2. The product must be evenly applied.
3. The presence of water, dust or dirt may influence the uniformity of the treatment.
4. When a surface is treated for the first time, we recommend testing the wax on a sample or in a corner.
5. Apply the Gloss Liquida on the surface with a cloth. Wait a few minutes for the product to dry.
6. Polish the surface with a cloth by hand or buff with a white pad or steel wool pad using a single disc machine.
