

## Technical Data Sheet

# Z-XTRA PLUS

## Marble Polishing Powder

### Description

It is a high gloss marble polishing powder that protects calcareous natural stone floors (e.g. marble, travertine, limestone) and achieves a mirror-like shine. It reduces water penetrability thus facilitating daily cleaning. It provides a brilliant high shine to dull, traffic-worn marble and other calcareous stone floors.

### Areas of Application:

It can be used on marble, composite marble, limestone, terrazzo and other calcium based stones.

### Packaging & Color

Packaging: Available in 250g, 500g, 1kg, & 5kg  
Color: Brownish Shelf

### Storage & Shelf Life

Shelf Life: 2 years  
Storage: Keep the container tightly closed and store in a cool, dry place.

### Technical Data

Coverage: 90-180m<sup>2</sup>/kg

### Instruction for Use

1. Clean the surface with SURIE POLEX Floor Cleaner Neutral. The surface must be absolutely clean and dry before application.
2. Mix 1 part polishing powder with 2 parts water and pour on to the floor. Massage the solution into the floor with the surie poley red pad fitted under a single disc machine. Run the machine along any one side and then at right angles to it.
3. Spray a small quantity of water if the powder dries too fast to avoid burn marks.
4. Buff dry with a white pad to further enhance the shine.
5. Wash the floor thoroughly and vacuum dry.

### Maintenance

- . Stubborn dirt should be cleaned off with clean water or with Surie Poley floor cleaner neutral.

### Disclaimer

The information above reflects our latest technical know-how and is the outcome of ongoing laboratory research and testing. However, some factors are beyond our control. It is essential to integrate our suggestions with your own on-site preliminary tests and check. Surie Poley accepts no liability for improper use of its products.
