Technical Data Sheet

STAINEX

STAIN REPELLENT SEALER

Description:

Stainex is a ready to use stain repellent sealer that gives unmatched protection against oil and water based stains on natural and composite stones. It also provides excellent water and dirt repellency. It allows moisture vapor transmission and is UV-resistant.

Area of Application

It can be used on all natural and composite stones such as marble, granite, limestone, sandstone, terrazzo, concrete etc. It is specially recommended to be used in kitchens, bathrooms and other areas prone to staining.

Technical Data

Coverage: 1-15m²/Ltr depending upon the absorption coefficient of the stone.

Shelf Life: 2 years

Color

Colorless.

Instruction for Use

1. Clean the surface with SURIE POLEX Floor Cleaner-Neutral. The surface must be absolutely clean and dry before application.
2. Prepare a small test patch to check coverage.
3. Natural stone is unique and color enhancement is possible.
4. Shake the container before using. Do not dilute or mix with other products.
5. Apply evenly and fully with a brush, roller, sponge, spraying device or fluff free cloth. Remove surplus material with suitable cloth or fabric.
6. To ensure deep penetration apply 2 to 3 coats.
7. Repellency begins after a few minutes but the product is fully cured after 24 hours.
8. Allow ventilation for 2 to 3 days in food areas.

Packaging

Available in 1Ltr and 5.1Ltr jerry cans.
