THREE HEAD HANDHELD GRINDER

Heavy Duty Machine For Concrete Edge & Wall Polishing

TECHNICAL SPECIFICATION

FEATURE	VALUE
Rated Output	2800w
Voltage	220v
Weight	7.8kg
Speed	600-3000r/min
Grinding disc diameter	100mm*3

DESCRIPTION

The Three Head Handheld Grinder is a heavy-duty machine designed for concrete edge and wall polishing. Powered by a 2800 W motor, it features three 100 mm grinding discs and a speed range of 600–3000 rpm. Operating on a 220 V supply and weighing 7.8 kg, it is suitable for professional grinding and polishing along concrete edges and on wall surfaces.
